Nancy Young, Ph.D., Sam Gillespie, Peter Panzarella, M.A., M.S., LADC, LPC, Denise Churchill, M.S., LMFT
Emphasis Area: Family Based Approaches and Child Welfare

Boston Consortium Model: Trauma-Informed Substance Abuse Treatment for Women

Hortensia Amaro, Ph.D.
Emphasis Area: Gender Responsive Practices

Understanding and Effectively Serving Women with Military Experience

*LTC. Cynthia Rasmussen, RN, M.S.N, CANP,
Paige Jenkins, Stephanie Moles, Angela Halvorson, B.S.*
Emphasis Area: Specific Populations - Military

Partnership Building for Healthy Communities

Aida Luz Maisonet Giachello, Ph.D.,
Emphasis Area: Critical Issues of the Day

Traditional Workshops and Labs

include presentations on a particular topic or practice as well as interactive discussion or hands-on activities

Improving Family Engagement Using Rapid Cycle Process Improvement

*Lynn Madden, M.P.A., CHE,
Linda White-Young, M.S.W., LICSW, and
PPW Grantees*
Emphasis Area: Family Based Approaches and Child Welfare

Substance-Exposed Newborns, Mothers, and Child Welfare: Collaborative Strategies

*Kristin Funk, LCSW, Enid Watson, M.div.
Celeste Smith, M.A.*
Emphasis Area: Family Based Approaches and Child Welfare

They Also Serve: Addressing the Needs of Military Wives

*Angela Bowman Halvorson, B.A., Pam Woll,
M.A., CADP*
Emphasis Area: Specific Populations - Military

Dually Diagnosed Enhanced Programs for Women: Are We There Yet? How Can We Do Better?

Randi Tolliver, Ph.D., CADP
Emphasis Area: Co-Occurring Health and Mental Health

Using Technology to Advance Women's Prevention, Treatment and Recovery

Albert Villapiano, Ed.D., Cynthia Wiford, M.R.C., CCS, LCAS, Kimberlee Trudeau, Ph.D.

Emphasis Area: Technology

Women, Addiction and Personality Disorders: Navigating the Axis II Tightrope

Caterina Iapaolo, M.D., Karen Dodge, Ph.D.

Emphasis Area: Co-Occurring Health and Mental Health

Treatment for Opioid Dependent Pregnant Women

Karol Kaltenbach, Ph.D.

Emphasis Area: Gender Responsive Practices

Racial/Gender Identity Development: Thriving in the Stages of Recovery

Mary Henderson, Ed.D., LCPC

Emphasis Area: Gender Responsive Practices

How to Keep a Good Thing Going: Ten Principles of Sustainability

Kathryn Icenhower, Ph.D., LCSW, Sara Tienda, M.S.W.

Emphasis Area: Critical Issues of the Day

Treatment and Recovery Partnering with Technology-Creating the Plan

Marina Uk, Arthur Carlson

Emphasis Area: Technology

Girls Circle: Promoting Resiliency in Adolescent Girls

Giovanna Taormina, Beth Hossfeld, MFT

Emphasis Area: Specific Populations - Adolescent Girls

Helping Homeless Mothers Find Their Strength and Build Stability (assertive home-based interventions)

Susan Dargon-Hart, LICSW, Karen Gould, LICSW

Emphasis Area: Gender Responsive Practices

Reclaiming our Sexual Health

Debra Hickman, M.Div.

Emphasis Area: Co-Occurring Health and Mental Health

Esteemable Acts in Women's Treatment

Francine Ward, J.D.

Emphasis Area: Critical Issues of the Day

Women and Addiction: A Trauma-Informed Approach

Carol Ackley, LADC, Twyla Peterson-Wilson, M.S.W., LCSW

Emphasis Area: Gender Responsive Practices

Promising Treatment Practices for Child Welfare Involved Families Affected by Parental Substance Abuse

Karen Hanson, LCSW, Hon. Judge Cohen, Peter Panzarella, M.S., Jean A. Adnopoz, M.P.H., Gayle Dakof, Ph.D.

Emphasis Area: Family Based Approaches and Child Welfare

Setting Up Growth-Based Contingency Management Systems for Residential Treatment

Christine Ullstrup, M.S.W., Julie Helmrich, Ph.D.

Emphasis Area: Gender Responsive Practices

Organizational Change - Improving Gender Responsiveness and Implementing EBPs

Colleen Marshall, LMFT, Kimberly Bond, MFT, Renee Smith, LCSW

Emphasis Area: Critical Issues of the Day

Improving Outcomes for Women Who Struggle in Treatment

Emphasis Area: Technology

Emergent Leadership: Meeting the Challenge

Betsy Haas, M.A.

Emphasis Area: Workforce Development

Use Disorders and the Person-Centered Healthcare Home

Laura Galbreath, M.P.P Substance

Emphasis Area: Critical Issues of the Day

Facilitated Discussions

encourage dialogue and exploration of a specific topic. A brief presentation (10 minutes) is followed by a structured discussion

A National Woman's Peer Recovery Support Initiative

*Niki Miller, M.S., CPS, Sherri Green, Ph.D.,
Stephanie Covington, Ph.D., LCSW*

Emphasis Area: Critical Issues of the Day

Electronic Health Records and Best Kept Secrets about Confidentiality

Renee Popovits, J.D.

Emphasis Area: Technology

Sober Housing Models for Women and Families

*Lori Criss, M.S.W., LSW, Kristen Paquette,
M.P.H., 2010 Focus Group Members*

Emphasis Area: Critical Issues of the Day

Facilitated Discussion following Creating Change through Collaboration Miniplenary

Nancy Young, Ph.D.

Emphasis Area: Family Based Approaches and Child Welfare

Facilitated Discussion following Boston Consortium Model Miniplenary

Hortensia Amaro, Ph.D.

Emphasis Area: Gender Responsive Practices

Race, Culture and Treatment Facilitated Discussion

To be Announced

Emphasis Area: Gender Responsive Practices

Relational in a Tech World Facilitated Discussion

Laurie Krom, M.S.

Emphasis Area: Technology

What Other States do with Women in Criminal Justice

*Bobbie Lightle, B.A. Ruthie Dallas, MS
Candidate, Angela Smith-Butterwick, M.S.W.,
Barbara Brooks, M.S.E., M.S.W., LSW*

Emphasis Area: Specific Populations - Criminal Justice

Engaging Mothers involved in Child Welfare through Recovery Coaches

*Rosie Gianforte, LCSW, and a recovery coach
and family*

Emphasis Area: Family Based Approaches and Child Welfare

Several Table discussion sessions will also be available

Demonstrations

are short sessions (40 minutes) that provide an introduction to a specific curricula or innovation

Healthy Women: Healthy Lives Curriculum, Cultural accommodations

*Anne Helene Skinstad, Ph.D., Maurine Orwa,
Ph.D.*

Emphasis Area: Gender Responsive Practices

Introduction to the Nurturing Program for Families in Recovery

*Terri Bogage, LICSW, Dianna Christmas,
M.P.H.*

Emphasis Area: Family Based Approaches and Child Welfare

Seeking Safety Demonstration Overview

Lisa Najavits, Ph.D., ABPP

Emphasis Area: Gender Responsive Practices

Voices: A Program of Self-Discovery and Empowerment for Girls

Candice Norcott, Ph.D.

Emphasis Area: Specific Populations - Adolescent Girls

Women's Leadership and HIV/AIDS Prevention Training

*Rita Nieves, M.P.H., M.S.W., RN, Maria
Cabrera, M.S.W., LICSW; Brenda Marshall,
CADAC; Iliana Ojeda-Rivera, M.Ed, CADAC;
Hortensia Amaro, Ph.D.*

Emphasis Area: Co-Occurring Health and Mental Health

Innovation, Avatars, and Virtual Counseling

Dick Dillion

Emphasis Area: Technology

Saber es Poder: a Culturally Specific Trauma Curricula for Latinas

Maria Cabrera, M.S.W, LICSW; Iliana Ojeda-Rivera, M.Ed, CADAC; Hortensia Amaro, Ph.D.

Emphasis Area: Gender Responsive Practices

Celebrating Families!

Steve Hornberger, M.S.W., Rosemary Tisch, M.A.
Emphasis Area: Family Based Approaches and Child Welfare

Invigorators

are short sessions (40 minutes) that are specific in nature. Sessions invigorate participants to learn more about the topic or concentrate on one specific concept or practice

Keeping Kids at Home- Partnering for Success

Kathryn Icenhower, Ph.D., LCSW, Blanca Vega and Sara Tienda, M.S.W.

Emphasis Area: Family Based Approaches and Child Welfare

Innovative Strategies to Improve Staff Self-Care and Retention

Ellie Skelton, M.A., CPRP

Emphasis Area: Workforce Development

Responsive Treatment for Sexual Minority Women

Mickey Eliason, Ph.D., LCSW

Emphasis Area: Specific Populations - LGBT

In a World of Hurt: Addressing Prescription Opiate Addiction

Peggy Gemperline, B.S.N., M.B.A., LCDC-II

Emphasis Area: Critical Issues of the Day

Attachment Rhythms for Women in Trauma Recovery

Lia Gaty, LCSW

Emphasis Area: Gender Responsive Practices

Illinois's Gender Competent Endorsement

Maya Hennessy, B.A., CRADC, MISA, GCE, Barbara Brooks, M.S.E., M.S.W., LSW

Emphasis Area: Workforce Development

Action Steps for Providers in Preparation for Parity and Health Reform

Kathryn Alexandrei, Patrick Gauthier

Emphasis Area: Critical Issues of the Day

Welcome to Web 2.0

Cindy Lane, M.A.

Emphasis area: Technology

Promoting the Effectiveness of Treatment and the Possibility of Recovery through Community Events

Ivette A. Torres, M.Ed., M.Sc.

Emphasis Area: Critical Issues of the Day

Activism and Trauma and Addiction: Leadership from the Bottom to the Top

Niki Miller, M.S., CPS and Cathy Cave, B.S.

Emphasis Area: Critical Issues of the Day

Introduction to Social Media

Cecily Kellogg

Emphasis Area: Technology

Staff Development: Creating Healthy Solutions through Insight and Awareness

Tamara Herlitzka, LMFT, LAC, SAP

Emphasis Area: Workforce Development

Integrating Tobacco Treatment

Gretchen Clark Hammond, M.S.W., LSW, TTS

Emphasis Area: Co-Occurring Health and Mental Health

Creating a Healthy Organizational Culture

Francine Feinberg, Psy.D., LCSW

Emphasis Area: Workforce Development
